# The Ewing Public Schools

Dear Community Members,

I am delighted to extend a warm welcome to all students, families, and community members as we approach the new school year at Ewing Public Schools. I hope everyone got some well-deserved rest and relaxation over the summer months.

Our team has been working diligently over the summer to ensure our facilities are ready for a successful academic year. With thorough cleaning, essential maintenance, and HVAC upgrades, we have created a safe and conducive environment for learning. The completion of the Antheil Elementary School parking lot project, coupled with a green initiative to plant additional trees, have enhanced school grounds.

As we look to the future, we are excited to continue our commitment to academic excellence, the arts and athletics, inclusivity, and creativity. Join us in contributing your insights during the strategic planning process this September.

Your partnership is crucial to our students' success, and I invite our community to join in this exciting journey. With gratitude for your ongoing support, let us embrace the opportunities ahead and make this school year remarkable.

Warm regards,  
Dr. David Gentile

Superintendent of Schools

Dear Parents, Guardians, Alumni, Students and Friends,

The Ewing Public Education Foundation (EPEF or Foundation) celebrates 28 years of providing grants to Ewing Public Schools for innovative educational programs. EPEF is an independent, non-profit organization whose mission is to mobilize community support, commitment, and resources to help improve the quality of education in Ewing Public Schools. The Foundation also seeks to match corporate organizational donors with teachers to find additional projects of mutual interest.

EPEF provides grants to teachers and staff members and allocates scholarships to graduating Ewing High School students through fund-raising activities, corporate and institutional sponsorship, and individual donations. These programs enhance our children's educational experience without the use of taxpayer dollars. The grants recognize the need for innovative educational opportunities in a variety of areas, inspiring the creativity of our educators and enabling them to engage the students in exciting and different ways. Scholarships provide the graduating seniors from EHS the ability to continue their educational endeavors in colleges, universities, or vocational institutions.

EPEF has stayed steadfast to our mission by providing grants to educators' innovative programs and scholarships. In the past ten years, the Foundation has awarded grants totaling over \$310,000 and in 2023 awarded \$8,000 in scholarships to our graduating EHS students.

The Foundation is a founding member of the New Jersey Education Foundation Partnership and a member of the Mercer Regional Chamber of Commerce.

EPEF continues to expand its assistance to teachers, staff members, and students with the support of individuals, businesses, and corporate sponsors. Our success depends on your contribution. Your contribution of \$25 or more will allow us to expand our commitment to Ewing Public Schools educators and students.

*For additional information about the Foundation and to make a tax-deductible contribution, visit EPEF's website at [www.epef.org](http://www.epef.org). Like our Facebook page for updates and additional information. Thank you for your support.*

Sincerely,  
**Roomana Khan, President**

# Superintendent Dr. David Gentile

---

Dr. David Gentile began his career as the Superintendent of the Ewing Public Schools in November of 2022.

Dr. Gentile's mission is to provide every student the opportunity to achieve their dreams through education was forged long before he stepped foot in a classroom. His father, an Italian immigrant, overcame learning challenges to become a self-taught mechanical engineer who, through sheer drive and determination, founded a successful family HVAC business. His mother owned a small hair styling business that operated out of her shop built by his father in the basement of their modest home in a working-class small-town, USA.

The value of education was nurtured throughout his childhood. His parents, who always wanted more for their children, insisted they study hard and receive the best education possible. Dr. Gentile's sister earned a Ph.D. in accounting while he fell in love with teaching and learning. As a teenager, he was a swimming instructor for younger children; it was then that he discovered his passion for teaching. Schoolwork did not always come easy for Dr. Gentile, struggling especially with reading; until, as a freshman in college, a learning consultant ensured he received help to overcome this obstacle. From that point forward, he enjoyed a new world of reading, learning, and helping others become successful learners. He tutored local high school students to help work his way through college and, in doing so, confirmed his love for teaching and learning.

Dr. Gentile's family was not one of great means; however, he had some success on the athletic field which afforded him access to an education. He attributes his personal work ethic to his experience as a student, athlete, and employee. He vividly remembers extremely long days as he worked in the family HVAC business, maintained good grades, and participated in baseball and football.

He started his formal career in education in 1998 with the Millville Public School District as an elementary school teacher and high school baseball and football coach. His own experiences helped him identify with his young students and help them understand themselves better as learners. Dr. Gentile gravitated to instructing students who had learning obstacles, ultimately leading him to teach in an alternative eighth-grade program he helped design for the Runnemede Public School District.

In 2003, he officially started his leadership career as a middle school vice principal and was later promoted to the position, of principal in Runnemede, New Jersey. In 2008, he traveled up the road to become the Superintendent of Schools in the

Mount Holly Public School District. Working collaboratively with his team, they achieved many improvements and successes: reducing school violence, improving student achievement, and finding and addressing inequities. He learned how to work effectively with stakeholders throughout the school community, through a collaborative effort to pass a comprehensive bond referendum and oversee multiple capital improvement projects.

In 2010, he was appointed Superintendent of Schools in the Millville Public School District. Dr. Gentile spent the next decade working with staff and community members on a shared vision to create a world-class district. Together, they realized many improvements and successes: student achievement, establishing a professional community dedicated to instructional improvement, creating a system of classroom walkthroughs, and establishing a comprehensive professional development approach. Their professional work was recognized by both McRel and ASCD as they featured the district's efforts in their video series *Classroom Instruction that Works*. He also worked collaboratively in Millville to secure New Jersey Department of Education funding to address crowding and capacity issues, as well as other long-standing educational concerns. As a result, the district received over one-hundred million dollars in additional state funding to complete a comprehensive renovation project that completely overhauled the existing high school campus.

In 2019, Dr. Gentile was appointed Superintendent of Schools in the Voorhees Township School District, where he worked with staff and community members to create a much-needed redistricting plan, to advance full-day kindergarten and the construction of an early childhood center, as well as integrating more technology into classroom instruction. Like school leaders throughout the country, he navigated uncharted territory of the world-wide COVID pandemic. In 2022, he became the Chief Academic Officer of the Cumberland County Technical High School District, where he was responsible for student admissions, equity, curriculum/instruction, and various other special projects for the district.

Dr. Gentile's goal is to work collaboratively with the Ewing community to ensure students receive an exceptional education and are prepared for the world following graduation.

# The Ewing Public Schools

Over 3,500 students attend five public schools in Ewing Township. Students in Grades PreK-5 attend Antheil, Lore and Parkway Elementary Schools. Students in Grades 6-8 attend Fisher Middle School and Ewing High School serves Grades 9-12. A comprehensive curriculum and a wide range of programs are provided for all students.

All district K-12 programs are evaluated by the New Jersey Department of Education. The District is accredited by the State of New Jersey.

## Public Information

We believe it is our responsibility to keep parents, students, staff and residents informed. The district calendar is posted on the website and individual school calendars list current activities and events for each of the district schools.

The district phone number is 609-538-9800. Voice mail is available for all staff members as well as for a residency hotline (8999), and anonymous tip hotline (1199).

## Virtual Backpack

Information that traditionally came home in student backpacks is posted to our virtual backpacks for each school. Community information is posted as a courtesy on the community information page; look here for Ewing Township Recreation information.

## District Information

The district website, [www.ewing.k12.nj.us](http://www.ewing.k12.nj.us), provides board agendas, minutes from the board meetings, activities and sports calendars, news items, announcements, school policies and programs and many other helpful items. Every issue of the current school year's **GoodNews** is also available on the website. The individual school sites include student work, class projects, a calendar of school activities, as well as headlines featuring important and exciting information to be shared with the school community. Be sure to check the virtual backpacks and headlines for up-to-the minute information.

## SchoolMessenger

All student contact information will be updated DAILY using the Guardian 1 and Guardian 2 contact information located in Genesis Parent Portal. Please make sure to update your phone number or email in Genesis Parent Portal if your contact information changes.

It is also important that parents and guardians create an account with SchoolMessenger. We recommend downloading the app which is available on the Apple and Android store.

To receive text messages, you will need to opt into the text(SMS) alerts. The SchoolMessenger system will send a text asking if you would like to receive text alerts. Simply respond that you would like to receive text alerts.

Please go to the following link for information on SchoolMessenger: <http://go.schoolmessenger.com>.

## Emergency School Closings

Weather conditions or the loss of utility services (heat, water or electric) can mean a delayed opening, the closing of the schools or an early dismissal. The decision to delay or close the schools is made as early as possible. A message will be posted on the district phone system (609-538-9800), the website, and a SchoolMessenger message will be sent.

Should there be a delayed opening, all students are to report to school **1 hour and 30 minutes** later than normal. Do not drop your child off at school at the usual time as there may not be sufficient staff for supervision.

# Who Should I Contact When?

On occasion, a parent may have a concern, complaint, suggestion or request related to a school decision or policy. Many questions are easily and completely answered by communicating directly with the person in charge of the class or program. Each situation should first be addressed at whatever level the initial action was taken, with appeals moving on to the next level in the chain of command. **General information (school/Board calendar, policies/regulations, employee contact information, individual schools websites, etc.) is always available for you at our website: [www.ewing.k12.nj.us](http://www.ewing.k12.nj.us). ## The Week of Respect is October 2-6, 2023

Each school year, the Ewing Public Schools recognizes the Week of Respect during the first week in October. The purpose of the Week of Respect is to teach students how to respect others, our school, our community, and ourselves, as well as how to prevent harassment, intimidation, and bullying situations. The Week of Respect also emphasizes the importance of character education and teaches students strategies on how to be compassionate, thoughtful, caring people in and outside of school.

## School Violence Awareness Week is October 16-20, 2023

Keeping Our Kids Students Safe, Healthy & In School!

During this week, schools are required to provide students, parents, school district staff and law enforcement opportunities to discuss methods for keeping schools safe from violence, to consider school safety and security plans; and to learn how to recognize students in need of help. Activities address preventing school violence, including, but not limited to, age-appropriate opportunities for student discussion about conflict resolution, bullying prevention and issues of student diversity and tolerance.

## Red Ribbon Week is October 23-31, 2023

On January 30, 2023 the National Family Partnership (NFP) unveiled its 2023 Red Ribbon Week Theme, "Be Kind to Your Mind. Live Drug Free.™". Submitted by Danielle Helm, a Youth Service Coordinator from Russell County Middle School in Russell Springs, Kentucky. This year's theme is a reminder that everyday Americans across the country make significant daily contributions to their communities by being the best they can be because they live Drug-Free!

Each year, the National Family Partnership sponsors the Red Ribbon Week Theme Contest. The theme contest invites millions of Americans across the country to submit a unique slogan that captures the essence and mission of the campaign. Danielle's theme was chosen because it encourages us to do our individual parts to keep our communities' safe, healthy and drug free. All segments of the community, health care workers, police officers, educators, school bus drivers, parents... people just like you and me, are examples of what we can achieve through self-dedication, care, and commitment. The theme encourages everyone to use their voice to make a difference no matter who they are, where they're from or what they do. The possibilities are endless when we work together!

**Mr. Anthony F. Messina** was elected to the Ewing Township Board of Education in November of 2012. His current term (fourth) on the Board runs from January 2022 until December 31, 2024.

Mr. Messina is a lifelong resident of Ewing Township. He attended township public schools and graduated from Ewing High School in 1985. Mr. Messina and his wife Kim, also an EHS graduate, have a daughter who is a proud graduate of the Ewing High School

Class of 2021.

Mr. Messina is retired from the Ewing Township Police Department. He served as the first School Resource Officer at Ewing High School from 2000 through 2010. In this role, he worked closely with the district's students, staff and administration. During this time, Mr. Messina also was the ETPD's liaison to the Ewing Township Drug and Alcohol Alliance and worked to bring many new and innovative programs to the school district. He was also a volunteer assistant football coach at EHS for many years.

## Mission Statement

The Ewing Public Schools, an institution governed by the policies, regulations and bylaws developed by The Ewing Public Schools Board of Education and the New Jersey Department of Education, believes that all students can learn. The district's goal is to provide an educational system that dovetails academic excellence with the moral, equal, and respectful treatment of self and others in order to prepare its students to become up-standing, self-sufficient and contributing citizens. This goal will be achieved through teamwork and commitment of the district's network of educators, administrators, board of education members, support staff, parents, elected officials and the greater community. Together they form a partnership whose common vision facilitates, expects and demands ever-improving levels of achievement for Ewing's students and all stakeholders. We will accept nothing less.

## Philosophy and Belief Statements

The Ewing Public Schools are dedicated to meeting the educational needs of its students. We will identify and address the needs of students and provide them the opportunity to reach their maximum potential.

Therefore, we believe the following:

1. All students will be appropriately challenged to achieve a strong academic foundation.
2. All students will be educated in an environment that encourages them to be curious, creative life-long lovers of learning.
3. All students will be provided with opportunities to achieve academic success, exhibit self-reliance, and develop responsibility, which will enable them to make positive contributions to society.
4. All students will benefit from a partnership of the school, home, community and students in the learning process.
5. All students, their families and teachers must assume an appropriate level of responsibility for themselves and their actions.
6. All students will have the right to a safe and secure educational environment.

# Student Services

The Special Services Department provides a variety of educational and related operations/grants management services to assist students in the learning process. The goal of Special Services is to help students reach their potential as learners and members of the school community.

Health and Medical Services monitor student health through screenings, routine exams and the provision of swift attention to medical problems.

Homebound Instruction is available to students confined at home because of lengthy illness or other special circumstances.

Special Education is provided in self-contained classrooms, resource rooms and inclusive general education classes throughout the district to all eligible students, ages 3-21. Arrangements are made with other school districts to provide special education for children with exceptional needs if a program is unavailable in Ewing.

Related services are also provided and include speech and language therapy, occupational therapy, physical therapy, counseling and transportation services.

Child Study Teams provide diagnosis and, when necessary, consultation or intervention for students with learning or school-related problems.

Project Child offers comprehensive services for the identification, assessment and treatment of pre-school handicapped infants and children

Developmental Kindergarten (DK) provides additional support and an initial small student - teacher ratios for newly de-classified preschool students and other qualifying kindergartens. The DK classroom is paired with another kindergarten classroom as the school year progresses to prepare students for successful transition into 1st grade. DK classroom is located at Antheil. The Preschool Program serves the needs of children who require special services ages 3-5. More information about this program can be found by following the District Information/Special Services links on the District Website.

The School Attendance Officer has a dual role of verifying student residency and working with truant students. This may involve home visitations, student counseling and parent consultations. The School Attendance Officer has the legal responsibility to ensure compliance with the Compulsory School Attendance Law.

For information on these services, contact the Director of Special Services X7176.

Supplemental Support Services in language arts, literacy and mathematics are available for Grades K-8. For information about Supplemental Services, contact the building principal. English as a Second Language (ESL) assists students in developing and acquiring English language skills. For information about ESL, contact the ESL Supervisor at X2156.

Testing and Evaluation Services are provided as mandated by state law to assess individual students' needs as well as to evaluate programs and curricula. State mandated assessments include the NJSLA (New Jersey Student Learning Assessment) for students in Grades 3-11 in English Language Arts and Mathematics, and the NJ Science Learning Assessment (SLA) in Grades 5 and 8 in Science.

The district administers the PSAT in October to students in Grades 10-11. Testing related questions may be addressed to the Director of Counseling & Assessment at X2121.

## Project Child Find

A service of federal and state agencies to locate, identify and provide services to children.

## What can we do to help?

Is there someone in your life-a son, a daughter, grandchild, niece or nephew, friend or foster child-who is developing differently or is having problems learning? If so, help is available for eligible children in New Jersey:

## For Infants and Toddlers

(Birth to Age 3)

New Jersey's Early Intervention System provides services for infants and toddlers (birth to the child's third birthday) who have developmental delays or disabilities as well as support for their families.

## For assistance or information:

Regional Early Intervention Coordination Unit  
1-888-653-4463

Project Child Clinic Program  
(609) 588-8500

## For Preschool Children and Students

(Ages 3-21)

Your public school district provides a free appropriate public education for eligible students ages 3-21.

Contact the Department of Special Services at X7176.

## ASYSST

The Available School Youth Services Support Team (ASYSST) is a school-based youth services program to help young people navigate the adolescent years, finish their education, obtain skills leading to employment or continuing education, and graduate healthy and drug free. ASYSST provides youth and families with a comprehensive set of services on a 'one-stop shopping' basis which includes crisis counseling, employment counseling, training and placement, individual and family counseling, drug and alcohol abuse counseling, violence prevention, and part-time and summer job development.

There are no fees or eligibility requirements and all services are confidential. For more information, contact ASYSST at X2173.

## Extended Day Program (EDP)

The Boys and Girls Club program replaced the in-house afterschool care programming previously offered by the district known as PM EDP (Afternoon Extended Day Program) last year and will continue to do so this year.

The district is still providing the AM EDP (Morning Extended Day Program) at each of the elementary schools.

The Boys and Girls Club proposal satisfied the most important criteria established by the administration and Board. The after-school care program will be housed in each elementary school, the cost of the program for district parents is fair and aligned with the district's previous fee structure, and the provider must have an outstanding record of exemplary programming.

For more information or to obtain rates and to register, please visit our website ([www.ewing.k12.nj.us](http://www.ewing.k12.nj.us)) and select EDP under District Information.

## Boys & Girls Club "Kids Club" After School Program

The Boys & Girls Club provides a state licensed after school program that ensures a safe and caring place for your child immediately after school. Our program is continually rated 'better' or 'much better' than similar program in Mercer County. The Club's programs focus on educational support, social emotional learning, character development and healthy living. Combined with school homework help and a diversity of enrichment programs each week makes for a quality program.

*Our after school activities includes:*

- Homework assistance
- Healthy snack
- Reading & Language Arts support
- Enrichment programs such as Art, STEM, Cooking, Sports
- Special interest clubs
- Social emotional learning & healthy living curriculum
- Access to our Schoology Learning Management System for 24/7 access to programming.

*Start Date:* First day of school on September 8th

*Program Locations:* Antheil School, Lore School and Parkway School

*\*Fisher students are bused to our Spruce Street Community Center for interaction with other 6-8 graders.*

*Program Fees:* Annual Membership is required for all participants: \$35

*Monthly Tuition:*

5 days per week: \$230

4 Days per week: \$175

3 days per week: \$145

2 days per week: \$80

Monthly tuition is subsidized by governmental and private funding.

Scholarships are available to any family who needs financial assistance

The Club accepts Child Care Connections and WFD child care vouchers.

For Scholarships & CCC you can't register on line and need to complete paper registration through our membership office and Denise Brannon.

A daily rate of \$30 is available, but parents must first become a member, complete registration forms, and then coordinate daily registration with each schools site coordinator as availability changes day to day.

For Information & Registration for the Boys & Girls Club "Kids Club" After School Program please contact Denise Brannon-Eutsey.

## Ewing Before School Child Care (AM EDP)

On behalf of the staff of the Ewing Public School's Before School Child Care Program, we welcome you to this academic school year. The Before Care Program is professionally staffed. It is designed to complement the curriculum and activities of the regular school day. We provide your child with a "home away from home" environment with an emphasis on the needs of your child. This safe, caring environment offers structured activities, which are designed to promote the individual child's physical, intellectual, emotional and social well-being and growth.

### *Program Hours:*

AM: 7:00am–8:55am (includes breakfast)

PM (Provided by Boys & Girls Club):

Dismissal - 6:00pm (includes snack)

### *Program Locations:*

Antheil Elementary School

Lore Elementary School

Parkway Elementary School

### *To Register/Make a Payment:*

<https://ewing.revtrak.net/>

### *Tuition Refund Policy:*

Registration Fee and all Tuition monies are non-refundable.

If you have any questions regarding the Ewing Before School Care (AM Extended Day) Program please contact Andrea Gormerly at (609) 538-9800 X7114 or [agormerly@ewingboe.org](mailto:agormerly@ewingboe.org).

## Transportation

Student safety is the number one priority of the Transportation Department. Busing is provided to elementary students and to middle school students living more than two miles from the school. Transportation is provided for high school students living more than 2.5 miles from school.

To better serve our student riders, we request that ALL complaints go through the Ewing Transportation Department - not the individual bus contractors. If you have any questions concerning bus policy or bus routes, please call (609) 538-9800 X7111.

## Registration

All Registrations are now completed online through our Genesis Portal and Google. A child must be five years old by October 1st to enroll in kindergarten and six years old by October 1st to be admitted into first grade. Please visit our website ([www.ewing.k12.us](http://www.ewing.k12.us)) and select the Registration link to enroll online.

Please contact Central Registration with questions regarding the enrollment process at: (609) 538-9800 X7180, X7181, X7175 or email [registration@ewingboe.org](mailto:registration@ewingboe.org).

## Kindergarten Registration

To enroll in Kindergarten, a child must be five years old on or before October 1st. Kindergarten Roundup events are held in the spring. A completed registration and appointment are required to attend Kindergarten Roundup events.

All kindergarten registrations are now completed online through our Genesis Portal. Please 'click' the Kindergarten Registration link on the main Registration webpage for more information and to complete the enrollment process.

Kindergarten registration questions can be directed to the Central Registration Office: (609) 538-9800 X7180, X7181, X7175 or by email [registration@ewingboe.org](mailto:registration@ewingboe.org).

## Free And Reduced Price Meals

Students who attended Ewing Township Public Schools in 2022-2023, who were eligible for Free or Reduced Price Meals in June 2022 via a meal app or Snap approved will continue receiving those benefits for the first 30 school days through October 20, 2023 or until a new application is determined. Please note that kindergarteners or other new students will NOT

automatically be extended the free or reduced price benefits for their household. Parents/guardians should plan to complete a new application or contact the Food Service Office before the opening of school.

**A 2023-2024 application can be keyed in on-line or a paper copy submitted to the Food Service Office on or before Thursday, October 20 or students who were free/reduced from last school year will be classified as full price for meals beginning Monday, October 23.**

Applications may be submitted at any time during the school year, however, free or reduced price benefits do not begin until after the application is determined.

The 2023-2024 application packet is now available! Parents/Guardians may apply on-line by visiting the district website ([www.ewing.k12.nj.us](http://www.ewing.k12.nj.us)) and follow the link to the Food Services tab and simply 'click' on the Free and Reduced Price Meals located on the left of the page to access the link to the 2023-2024 application packet. Your meal status will be determined immediately! A fill-to-print application is also available. Additionally, applications are available through the Genesis Parent portal or at any school, guidance office, or Food Service Department. Interested parents/guardians should complete one application for all the children in their household. Completed paper applications should be returned to the Food Service Office at the Gusz Building, 220 Ewingville Road, Ewing, New Jersey.

**Benefits for Foster Children:** Be sure to read the instructions on the application. If you submit a current "Resource Family Parent Identification Letter" (DYFS 5-49) to the Food Service Office, it will not be necessary to complete an application for your foster child(ren) for the school year.

*Direct Certification Letters are emailed/mailed as processed. If a DC letter is received, it is not necessary to complete a 2023-2024 application; the students listed will automatically receive free meal. If all students in the household are NOT named in the letter(s), a copy of the letter must be returned to the Food Service Office with the missing student's name(s) listed, so they can also receive free meals.*

## District Wide Meal Information

**Food Service:** Students may purchase nutritious breakfasts and lunches prepared in the school cafeteria. Several different breakfast and lunch entrees are offered daily. Menus are posted throughout all schools and on the website ([www.ewing.k12.nj.us](http://www.ewing.k12.nj.us)) under the District Information/Food Service. Meal prices and breakfast schedules are also listed on the website.

The Board of Education participates in the National School Breakfast and Lunch Programs and free and reduced price meals are available to eligible students. The cafeteria uses a computerized meal system. Elementary students use their ID cards, which are kept in the elementary schools, to access their account and meal benefits. Students in Grades 6-12 enter their student ID number when making purchases in the middle and high school cafeterias.

Parents/Guardians may place money on account for students to purchase food in the cafeteria. Online access to deposit money, view meal accounts and receive email balance alerts is available through [www.payschoolscentral.com](http://www.payschoolscentral.com). If you have any questions about your student's account, please call (609) 538-9800 X7106.

## Middle School Information

**Positive Behavior Support (PBS):** Since 2009, Fisher Middle School has been Soaring to Students' Highest Potential with our PBS program. This is a school-wide program that is a proven, systems-focused approach that produces numerous positive outcomes.

The FMS program is S.O.A.R. (Safety, Ownership, Achievement, Respect). We are encouraging and acknowledging students' appropriate behaviors daily. They receive S.O.A.R. Dojo points when they are observed following one of our expectations. These S.O.A.R. points can be used for our school store and submitted for rewards.

Our overall goal of the program is to promote and support a safer, healthier and more caring school environment. We also are looking for teaching outcomes and learning to be enhanced. So far, the results have been positive as our school functions more efficiently and effectively. Let's all continue to help students soar to their highest potential.

**Gifted & Talented Program:** There is a Gifted and Talented class at each grade level in Mathematics and Reading. The process of preparing children for the higher levels of math begins in Grade 6. 8th graders who demonstrate mathematical giftedness are enrolled into Algebra in Grade 8. This process leads toward Advanced Placement Calculus in high school. A Gifted and Talented Humanities Program is also available to students who demonstrate excellence in English Language Arts. Information is sent to the parents of eligible students.

There are many opportunities for students to participate in after school activities. Students have the choice to join clubs such as Student Council, G.A.M.E. or Odyssey of the Mind. They can also try out for our sports teams. All clubs and sports require students to be in good academic standing.

## O'Brien Academy Information

In November, 2011 the O'Brien Academy opened in the Ryan Building for the 2011-2012 school year. The O'Brien Academy is a progressive alternative educational program for students in Grades K through 8. The program is named after Frank O'Brien, who was the Director of Special Services for The Ewing Public Schools for 23 years, and was dedicated to serving the best interests of all students.

According to Ewing's Director of Special Services/Operations/Grant Management, Harry Louth, the main motivation for this program is that there are limited alternatives and options for children at this grade span who would benefit from a non-traditional program. "We can meet many of these students' needs by providing an in-district alternative program option that provides an environment in which these students will be educated in Ewing by our own trained teaching staff," Mr. Louth stated.

# Care of School Property

The Board of Education believes the school district should help students learn to respect property and instill feelings of pride in their school. The Board requires each student enrolled in the district to responsibly care for school property and the school supplies and equipment entrusted to the student by the school district.

Students who cause damage to or lose school property may be subject to disciplinary measures. The Board authorizes the imposition of a fine for the loss, damage, or destruction of a Chromebook, iPad, computer peripherals, or textbook and reserves the right to withhold a report card or diploma from any student whose payment of a fine is in arrears.

## Ewing Public Schools District Fine List

Fines will be assessed as follows for any lost Chromebook, iPad, or computer peripherals or Chromebook, iPad, or computer peripherals damaged beyond normal wear.
